TIMUZ

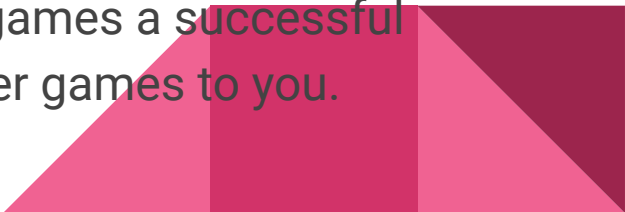

DREAMS COME TRUE...

ABOUT US:

We're TIMUZ a leading interactive entertainment and game development company for the mobile world. We were established in the year 2010 in India giving our best in design, develop, test and publish a wide array of games crossing various genres like Casual, Puzzle, RPG, Skill, Arcade, Racing, Action, Adventure, Strategy, etc across all platforms.

We include social features, rigid and tidy code, uncompromising QA to deliver products encompassing a high entertainment value. We believe these elements, in combination with a pinch of luck, have been making our games a successful endeavour, enabling us to fuel our dream of bringing better games to you.
